

16.4ft (5m) LC Uniboot 10Gb 50/125 OM3 Duplex Multimode PVC Fiber Optic Cable - Aqua Part No. CG-01016

This OM3 Duplex Multimode Fiber Optic Cable is ideal for connecting 10GBase-SR, 10GBase-LRM, SFP+ and QSFP+ transceivers for 10 gigabit network connections. The Uniboot connector allows two fibers to be carried through a single jacket. This reduces the surface area of the cable when compared to standard duplex cables, allowing this cable to facilitate improved airflow within a data center. This cable provides backward compatibility with existing 50/125 equipment and the performance headroom required to support LED and VCSEL laser light sources, and 10 gigabit Ethernet applications in a datacenter or wiring closet.

<

Features & Benefits

Uniboot connector allows two fibers to be carried within a single jacket Constructed to support OM3 transmission standards

Support for 10 Gigabit Ethernet communication

Specifications

General Info			
Product Line	C2G	Color	Aqua
UPC Number	757120010166	Country Of Origin	China
Application Sector	Commercial, Industrial	Warranty Type	Lifetime
Туре	Cable		
Dimensions			
Product Length US	16.4 FT	Cable Length	16.4 ft
Technical Information			
Fiber Optic Cable Type	Multimode, OM3	Jacket Material	PVC (Polyvinyl Chloride)
Jacket Application	Riser Rated	Bend Radius	10 mm
Simplex/Duplex	Duplex	Cable Type	Fiber Optic
Jacket Rating	FT4 Rated, OFNR Rated	Cable Diameter	2 mm

Data Transfer Rate	10 Gbps	Adapter Rear	LC Male, LC Male
Adapter Front	LC Male, LC Male	Fiber Size	50/125
