

## C2G 10ft (3m) Centronics 36 M/F Parallel Printer Extension Cable Part No. CG-02679

Gain flexibility and efficiency by positioning your printer in the best location (up to 50 feet away) by using our superior quality, Centronics-style cable. This male/female will extend your parallel printer cable. Each cable is fully molded and foil shielded to block EMI/RFI interference caused by a noisy office environment.

Note: This cable is pinned to support a Parallel printer. Not all pins are wired, Only the 25 pins required to support Parallel communication are wired.
