

Quickly change the gender of your 50-pin connector, or join two cables together. Save the cost and hassle of buying a new cable by just changing the gender of your port and using the cable you already have. Each changer is molded and fully shielded, preventing any unwanted EMI/RFI interference caused from office equipment.

Features & Benefits

- Changes the gender to join two cables together
- Molded design provides a solid connection
- Fully shielded against outside EMI/RFI interference
