

Bring voice, data, audio and video together in one wall plate. With its smooth face and rounded edges, this wall plate is ideal for residential wiring, and adds style and function to any wiring system. The wall plate fits standard NEMA wallboxes and openings, and mounts to any electrical or surface mount box. Use this wall plate with multimedia inserts, networking and audio/video applications. Snap-in modules can be mixed and matched to configure a custom wall plate solution.

Features & Benefits

Adds style and function to any wiring system

Allows for custom configuration of wall plates with snap-in modules

Compatible with NEMA standard openings and boxes
