

## C2G 11U Swing Out Wall Mount Open Frame Rack - 18in Deep (TAA Compliant) Part No. CG-14615

This Swing Out Wall Mount Open Frame Rack is an ideal solution for mounting network and telecom equipment in applications where space is a premium and a full size rack or cabinet cannot be used. The front swing gate has latch pins and bolts on both sides that allow the swing gate to open either left or right for easy access to rear of panels and equipment. The mounting rails feature #12-24 threaded EIA hole pattern which are standards compliant to mount up to 75lbs of 19in panels and equipment . Slots on the rear accept cable straps for cable management. The side panels fold flat for shipping and easily unfold for onsite assembly.

## Features & Benefits

Front swing gate with latch pins and bolts on both sides

Side panels fold flat for shipping and unfold for easy onsite assembly.

#12-24 threaded EIA hole pattern

Holds equipment up to 75lbs with the use of 11 or 19 rack units

Slots for cable straps located on the rear for cable management Includes #12-24 mounting screws
