

C2G
12U Hinged Wall Mount Open Frame Rack - 18in Deep (TAA Compliant)
Part No. CG-14618

This Hinged Wall Mount Open Frame Rack is an ideal solution for mounting network and telecom equipment in applications where space is a premium and a full size rack or cabinet cannot be used. The front swing gate may be set up to open either left or right for easy access to rear of panels and equipment and two latches are used to keep the gate closed. The mounting rails feature #12-24 threaded EIA hole pattern which are standards compliant to mount 19in panels and equipment. Slots on the rear accept cable straps for cable management. The side panels fold flat for shipping and easily unfold for onsite assembly.

Features & Benefits

Front swing gate with latch pins and bolts on both sides

#12-24 threaded EIA hole pattern

Holds equipment up to 75 lbs

Hook and loop straps and adhesive clips included

Keyhole mounting holes
