

C2G
Discontinued - Wiremold® InteGreat™ AV Table Box Black
 Part No. CG-16231

We no longer directly offer these products. You can find it available to purchase with an account at legrandav.com as part numbers TB672APAL and TB672APBK.

InteGreat A/V table boxes provide the depth to mount devices, especially A/V devices, below the table top. It has attractive finishes that can match any room decor. Combine it with other InteGreat products for a comprehensive solution to managing and delivering power, communication and A/V connectivity for conference rooms.

Features & Benefits

- Brushed, anodized cover available in either black or aluminum finishes
- The activation surface of the InteGreat A/V Table Box can be adjusted down, in 1/2in increments, from 1in to 4in (25mm to 102mm)
- Hole cuts are made easy with the included template
- InteGreat A/V Table Boxes are supplied with a cable grommet kit that can accommodate up to eight pull out connections
