

C2G 10ft (3m) Hook-and-Loop Cable Wrap (TAA Compliant) Part No. CG-29852

In a jiffy, you can organize the cabling on your audio/video equipment stack, computer desk or in the networking closet. Create your own hook and loop nylon ties, cut to the size you need! This wrap makes ties that are easy to use and reuse with their self-attaching design, plus you can trim the right amount of cable wrap from the bulk reel with NO waste.

This material is made from high-strength, nylon hook and loop to securely organize cables. Buying the bulk size is the best way to cut costs and customize wraps to the right size to handle any job.

Features & Benefits

Bulk size reduces cost and allows for customization

Easy to use with self-attaching design

Ability to cut to the size you need
