

Say good-bye to stab wounds and marred surfaces! Our Keystone Punchdown Puck fits in the palm of your hand and securely holds keystones while you punch them down. It also provides a solid surface to ensure proper seating of the wire in the jack. It is an inexpensive must-have for every toolbox.

Please note: This product is only compatible with our Cat5e 90 or 180 keystone jack. It is not currently compatible with our Cat6 keystone jacks.

Features & Benefits

Fits in the palm of your hand and securely holds keystones while you punch them down
