

The Dual HDMI Pass Through Single Gang Wall Plate is perfect for the transition to in-wall cabling. This solution offers a clean, professional look and is ideal for classrooms, conference rooms and houses of worship.

Convenience

The HDMI pass through ports includes thin, flexible HDMI pigtails that accommodate the tight bend radius required for installations within a standard junction box.

Durability

Constructed of high quality aluminum, this wall plate is designed for durability and a long life in commercial environments where constant wear and tear causes damage.

Features & Benefits

Supports 2 HDMI audio/video signals

Flexible HDMI pigtails for easy installation in a wall box

Compatible with a standard single gang wall box
