

Make the right choice to connect your DVD player, VCR, camcorder or any source with composite audio (left/right) and video to your TV, monitor or a/v receiver. This low cost cable is quality-made to deliver a crisp, clear sound and video for less. The coax conductor's copper braid shield helps reduce unwanted noise and distortion. Nickel terminals ensure long-lasting, corrosion-free connections while the PVC jacket adds flexibility and durability. The fully molded connectors are color-coded yellow/red/white for easy installation and identification, and provide excellent strain relief.

## Features & Benefits

Supports Composite Video and RCA Stereo Audio  
Fully molded connector and strain relief

Shielded to help reduce interference  
Color coded connectors

## Specifications
