C2G
50ft (15.2m) Value Series™ Composite Video Cable
Part No. CG-40456

C2G — A brand of legrand®

Make the right choice to connect the composite RCA-type video signal from your VCR, camcorder, TV or any other video-based component with RCA-type connectors. This low cost cable is quality-made to deliver a crisp, clear video for less. The 75 Ohm coax conductor's copper braid shield helps reduce unwanted noise and distortion. Nickel terminals ensure long-lasting, corrosion-free connections while the PVC jacket adds flexibility and durability. The fully molded connectors are color-coded yellow for easy installation and identification, and provide excellent strain relief.
