

C2G 75ft (22.8m) Value SeriesTM S-Video Cable Part No. CG-40919

Our s-video cable is constructed from high quality multiple conductors that deliver high quality video images. Separate conductors carry the Y-component (Chrominance) separately from the C-component (Luminance), to provide higher resolution and better picture quality than a composite video cable. Molded connectors with integrated strain relief; flexible PVC jacket.

Features & Benefits

Supports a S-Video signal	Fully molded connector and strain relief		
Flexible PVC jacket			
Specifications
