

C2G HDMI Pass Through Wall Plate - White

Part No. CG-41043

The HDMI pass through wall plate allows for a clean, professional looking and seamless transition to in-wall HDMI cabling using a wall plate form factor, which offers a more secure installation option over traditional transition methods. The wall plate provides a secure mount within the wall and is not likely to be stolen or misplaced. Unlike traditional pass-through wall plates, this wall plate is constructed by using four-layer computer grade printed circuit boards (PCBs).

The PCB traces are engineered to maintain the critical impedance necessary to transfer digital audio/video signals. Made from 20 AWG steel, this strong wall plate fits standard electrical boxes, and is compatible with decorative trim plates.

Features & Benefits

Clean, professional looking wall plate form factor

Constructed by using four-layer computer grade printed circuit boards (PCBs)

PCB traces are engineered to maintain critical impedance

Made from 20 AWG steel

Specifications

General Info				
Product Line	C2G	Color	White	
UPC Number	757120410430	Country Of Origin	China	
Application Sector	Commercial, Residential	Warranty Type	Lifetime	
Туре	Wall Plate			
Dimensions				
Product Width US	1.22 in	Product Depth US	1.25 in	
Product Height US	2.54 in	Cable Length	2.36 in	
Listing Agencies / 3rd Party Agencies				
CE Certified	Yes			

Technical Information

Video Resolution	1080p, 4K	Cable Diameter	3.6 mm
Adapter Rear	HDMI Female	Adapter Front	HDMI Female
