

C2G
Decorative Cutout Single Gang Wall Plate - Aluminum
Part No. CG-41332

Bring voice, data, audio and video together in one wall plate. With its smooth face and rounded edges, this wall plate is ideal for commercial wiring, and adds style and function to any wiring system. The wall plate fits standard NEMA wall boxes and openings, and mounts to any electrical or surface mount box. Compatible with decorative style switches, wall plates, receptacles, inserts and GFCI receptacles. Use this wall plate with multimedia inserts, networking and audio/video applications.

Features & Benefits

Compatible with Decora Style inserts

Designed for use with standard single gang wall boxes

Metal construction provides for durability and a long life
