

C2G
25ft (7.6m) C2G Plus Series Active High Speed HDMI® Cable 4K 60Hz - In-Wall CL3-Rated
Part No. CG-41413

C2G Plus Series Active High Speed HDMI Cable is the perfect solution for extending HDMI signals in classrooms, conference rooms, houses of worship, and other commercial environments.

This cable features a built-in signal booster that supports HDMI A/V connections at longer distances than non-active cables. They support resolutions up to 4K (4096 x 2160, 4:4:4), bandwidths up to 18Gbps, HDR for higher contrast ratios and vivid colors, plus 32 uncompressed digital audio channels, making them ideal for commercial environments. These cables are designed to exceed the highest measure of HDMI performance and are backward compatible with previous HDMI specifications for existing HDMI devices. They have a built-in signal booster that supports HDMI A/V connections at longer distances and do not require an external power adapter.

The Active High Speed HDMI Cables are directional cables that require the connector labeled HDMI installed at the source device and connector labeled TV to be installed to the display.

Features & Benefits

Supports resolutions up to 4K (4096 x 2160 at 60hz, 4:4:4)*

Supports HDMI features including 3D and dual video streams

Data speeds up to 18.0Gbps**

Supports full HD Blu-ray and HD DVD video

Supports 8, 10, 12, and 16bit per channel Deep Color

Supports up to 32 audio channels and a 1536kHz audio sampling rate

Supports DTS-HD Master Audio™, Dolby TrueHD™, DTS, Dolby AC3 and DSD Audio

Supports extended CEC (Consumer Electronics Control) commands and functions, HDMI Ethernet Channel (100Mbps/s), and ARC (Audio Return Channel)

CL3-rated jacket for in-wall installations resolutions up to 4K (4096 x 2160 at 60Hz, 4:2:0) **75 and 100-ft lengths have data speed up to 10.2Gbps

*75-ft length supports resolutions up to 4K (4096 x 2160 at 30Hz, 4:4:4) *100-ft length supports

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120414131	Country Of Origin	China
Application Sector	Commercial, Residential	Warranty Type	5-Year
Type	Active Device, Cable		

Dimensions

Product Length US	25.0 FT	Cable Length	25 ft
