

## HDMI, VGA + 3.5mm Pass Through Single Gang Wall Plate - Aluminum Part No. CG-60144

This wall plate is an ideal solution for installations which require that a Blu-ray player and a computer be connected to a projector through in-wall cabling. This wall plate features flexible HDMI and 3.5mm pigtails which makes installing this wall plate in a wall box easier than wall plates which require use of standard HDMI and 3.5mm cables. This wall plate is designed to work with standard wall boxes and the aluminum construction provides durability and a long life.

## Features & Benefits

| Supports HDMI audio/video signals, VGA video and Stereo Audio | Flexible HDMI and 3.5mm pigtails for easy installation in a wall box |
