

C2G  
35ft (10.7m) C2G Performance Series High Speed HDMI® Cable - 4K 30Hz In-Wall, CMG (FT4) Rated  
Part No. CG-C2G10388

C2G Performance Series HDMI Cables are perfect for connecting a wide variety of devices from computers to projectors and monitors, AV presentation furniture, or in-wall applications requiring HDMI features and video resolutions from 1080p, up to 4K — perfect for conference rooms, classrooms, churches, and other commercial installations.

These HDMI Cables offer commercial-grade connectors that feature compact overmolding for high density environments, integrated finger grips on the top, bottom, and sides for easy insertion and removal. The gripping connector shells have 2x port retention to keep your devices connected. The gold-plated connectors on the cables allow for better shielding, increased electrical conductivity, and durability.

These HDMI Cables support the updated library of Consumer Electronic Control (CEC) commands, allowing communication between devices connected through the HDMI ports. Lastly, these fully functional, high bandwidth cables have been tested to perform at industry standards and are backed by a lifetime warranty.

## Features & Benefits

Supports resolutions up to 4K (4096 x 2160) at 30hz 4:4:4, which means higher quality video for viewing your screen content	In-wall (CMG/FT4) rated jacket, so you can safely run the cable inside of a wall and have a clutter free, clean look
Integrated finger grips on the connectors for easy insertion and removal	Gripping connector shell for 2x greater port retention
Gold plated connectors for increased electrical conductivity and enhanced durability	Gold plated connectors for increased electrical conductivity and enhanced durability
Backed by a Lifetime Warranty for peace of mind	

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120103882	Country Of Origin	China
Features	Gripping Connectors	Application Sector	Commercial, Residential
Warranty Type	Lifetime	Type	Cable

### Dimensions

Product Length US	35.0 FT	Cable Length	35 ft
-------------------	---------	--------------	-------

### Listing Agencies / 3rd Party Agencies

CE Certified	Yes
--------------	-----

### Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Video Resolution	1080p, 4K, 4K 30Hz
-----------------	--------------------------	------------------	--------------------

---

Jacket Application	In-Wall Rated	Bend Radius	95 mm
Cable Type	High Speed HDMI, Video	Jacket Rating	CMG Rated, FT4 Rated
Data Transfer Rate	10 Gbps	Adapter Rear	HDMI Male
Adapter Front	HDMI Male	Operating Temperature	-20°-75°C
Storage Temperature	-10° - 55° C
