

C2G

25ft (7.6m) C2G Performance Series Certified Premium High Speed HDMI Cable - 4K 60Hz In-Wall, CMG (FT4) Rated

Part No. CG-C2G50196

C2G Performance Series Certified Premium High Speed HDMI Cables have been tested to conform with the Premium HDMI Cable Certification Program for highest performance and ultra-reliability. This cable is ideal for HD Blu-ray and HD DVD video, experiencing resolutions up to 4K (4096 x 2160) at 60Hz, bandwidths up to 18Gbps, HDR for higher contrast ratios and vivid colors, plus 32 uncompressed digital audio channels to provide crystal-clear sound — perfect for home theater applications or digital signage.

These cables are designed to exceed the highest measure of HDMI performance and will enhance video experiences with higher resolutions, increased speeds, and sharper images. They include integrated finger grips on the top, bottom, and sides, for easy insertion and removal, and the gripping connector shell has 2x greater port retention to keep your devices connected. The gold plated connectors on the cable allow for better shielding, increased electrical conductivity, and durability.

C2G Performance Series Certified Premium High Speed HDMI Cable has been tested to deliver the full 18Gbps bandwidth required by the specifications for Premium High Speed HDMI Certification. The cable also supports Consumer Electronic Control (CEC) commands, allowing communication between devices connected through the HDMI ports. Lastly, this fullyfunctional, high bandwidth cable is backed by a lifetime warranty.

## Features & Benefits

Tested to conform with the Premium HDMI Cable Certification Program for highest performance and ultra-reliability

Supports all HDMI 2.0 features including resolutions up to 4K (4096 x 2160) at 60Hz 4:4:4, which means higher quality video for viewing your screen content

In-wall (CMG/FT4) rated jacket, so you can safely run the cable inside of a wall and have a clutter free, clean look

Integrated finger grips on the connectors for easy insertion and removal

Gripping connector shell for 2x greater port retention

Gold plated connectors for increased electrical conductivity and enhanced durability

Supports CEC extensions for control of consumer electronics devices through a single control point

Backed by a Lifetime Warranty for peace of mind

## Specifications

### General Info

Product Line	C2G	Color	Black
UPC Number	757120501961	Country Of Origin	China
Features	Gripping Connectors	Application Sector	Commercial, Residential
Warranty Type	Lifetime	Type	Cable

### Dimensions

Product Length US	25.0 FT	Cable Length	25 ft
-------------------	---------	--------------	-------

### Listing Agencies / 3rd Party Agencies

CE Certified	Yes
