

The USB-C 3-in-1 Mini Dock Kit connects to Chromebooks and other USB-C enabled laptops and includes the cable connectivity solution needed for HDMI® displays – making it perfect for transforming your laptop into a full desktop solution through a single connection point. Perfect for setting up a workspace at the office or in the home.

The included HDMI cable allows this mini dock kit to connect to a single HDMI display, supporting resolutions up to 4K (3840 x 2160) at 30Hz for high definition audio/video. The USB-A port is perfect for adding a keyboard/mouse combo, charging a phone, or connecting a storage device supporting SuperSpeed USB 5Gbps data transfers # allowing up to 32GB of data to be downloaded in under a minute.

This USB-C Mini Dock supports up to 60W of power delivery to charge and power mobile laptops when using the USB-C power adapter that is included with the laptop. The maximum power capacity depends on how much power the connected adapter can supply.

PORTS

4K HDMI: Connect to a 4K display using the included HDMI cable.

USB-A: Connect a keyboard/mouse combo, charge a phone, or connect to a storage device and transfer data up to 5Gbps.
