

The USB-C 6-in-1 Mini Dock Kit connects to USB-C or Thunderbolt™ 3 enabled laptops and includes the cable connectivity solution needed for HDMI® displays – making it perfect for transforming your laptop into a full desktop solution through a single connection point. Perfect for setting up a workspace at the office or in the home.

The included HDMI cable allows this mini dock kit to connect to a single HDMI display, supporting resolutions up to 4K (3840 x 2160) at 30Hz for high definition audio/video. The USB-A and USB-C ports are perfect for adding a keyboard/mouse combo, charging a phone, or connecting storage devices supporting SuperSpeed USB 5Gbps data transfers # allowing up to 32GB of data to be downloaded in under a minute. The Ethernet port allows for reliable internet connectivity with file transfer speeds up to 1000Mbps.

This USB-C Mini Dock supports up to 60W of power delivery to charge and power mobile laptops when using the USB-C power adapter that is included with the laptop. The maximum power capacity depends on how much power the connected adapter can supply.

PORTS

4K HDMI: Connect to a 4K display using the included HDMI cable.

Gigabit Ethernet: Connect to local network for network and internet access.

1x USB-C: Connect storage devices and transfer data up to 5Gbps through the USB-C port.

1x USB-C Data and PD: Transfer data up to 5Gbps from a storage device and power a laptop or tablet with up to 60W power delivery.

2x USB-A: Connect a keyboard/mouse combo, charge a phone, or connect to a storage device and transfer data up to 5Gbps.
