

The PDU Mounting Kit for 12RU Swing-Out Wall-Mount Cabinets will mount most industry standard PDUs in a vertical orientation. The brackets can be mounted to the right or left side of the cabinet and are adjustable from front to rear. The bracket mounts out of the 19" rack mount location and allows full use of the 12RU and offer the ability to restrain cable at the rear of the cabinet with tie-downs.

Features & Benefits

Rear facing PDU mount

Mounts to left or right side of cabinet, adjustable front to rear

Universal mounting pattern for industry standard PDUs
